

NPAA / SRA BASEBALL 2012 TEAM SPONSORSHIP FORM

NPAA Baseball depends on sponsors like you to provide the children of our community a quality baseball and softball program. In 2011 over 400 boys and girls ranging from ages 5 through 16 enjoyed our program. Approximately 40 teams participated in our Tee Ball, Rookie, Minor, Major, and Senior Leagues. In addition, we entered several teams in Travel Baseball.

The support of our sponsors also benefits the players and coaches during the off-season by enabling the program to offer winter clinics to improve their baseball and softball skills that were developed during this past season.
